INDEX TO VOLUME 19 OF *PLASTICS TECHNOLOGY*, JANUARY-DECEMBER 1973

A

ABS
Comparative Specs ..... HB 152a
How They Pump Out ABS Food Liners in 60-Sec Cycles ..... Apr. 11
Materials—Mix of Circus Atmosphere and Serious Technology ..... Oct. 65
They're Batting Out One-Piece Double-Cavity ABS Food Liners ..... Apr. 15

ACETAL
Comparative Specs ..... HB 157
Mold Acetal Copolymer into Dimensionally Stable Parts, Geyer, H.G. ..... Apr. 37

ACRYLIC
Comparative Specs ..... HB 158
New Acrylic/PVC Alloy ..... July 15
To Make This Vehicle, Follow These Basic Steps ..... Nov. 42

ALKYDS
Comparative Specs ..... HB 201

ANTIOXIDANTS
Chemicals and Additives '73: Processors Get Many New Options, Naitove, M.H. ... July 39
Guidelines to Chemicals and Additives ..... HB 135

ANTISTATIC AGENTS
Guidelines to Chemicals and Additives ..... HB 135

APPLIANCES
Custom Molding in Appliances: Know-How Is What Sells, Naitove, M.H. ..... Jan. 36
How One Appliance Maker Sizes Up and Chooses a Custom Molder ..... Jan. 40
How They Pump Out ABS Food Liners on 60-Sec Cycles ..... Apr. 11
Plastics Manufacturing in Appliances: Why the Captives Do It So Well, Scheiner, L.L. ..... Jan. 29
They're Batting Out One-Piece Double-Cavity ABS Food Liners ..... Apr. 15

AUTOMOTIVE
Powder Coatings, Bumpers, Thermosets—That's the Talk at SAE Show ..... Feb. 15

B

BDS POLYMER
BDS Polymer: How to Extrude and Form It ..... Mar. 11
How To Blow Mold BDS Polymer .. May 11
How to Injection Mold the New BDS Polymer ..... Apr. 57

BLOW MOLDING
Comparative Machine Specs ..... HB 100
Equipment Advances Continue on the Blow Molding Scene, Joyner, R. S. ..... June 29
Guidelines to Buying Machines ..... HB 98
Here's How to Run Ethylene-Propylene Copolymers Profitably, Baumgartner, A., and T. Bragg ..... June 33
How to Blow Mold BDS Polymer ..... May 11
Improved Four-Head PVC Blow Molder ..... Feb. 11
News Will Be More Productive, Economical Bottlemaking ..... Oct. 51
Plastics Show Wrap-up ..... Dec. 33
Select the Right Equipment for Industrial Blow Molding, Slawska, B. ..... Sept. 38

BONDING AND JOINING
SEE WELDING AND SEALING

C

CALENDERING
Calendering Operations Aided by New Lubricant ..... Dec. 45
New Computer-Based Measurement/Control Unit Aims for Calendering, Extrusion Operations ..... Aug. 13
Thermoplastic Urethane—Now a Swarm of Contenders, Scheiner, L.L. ..... June 37

CATALYSTS
Chemicals and Additives '73: Processors Get Many New Options, Naitove, M.H. ... July 39

CELLULOSICS
Comparative Specs ..... HB 158

CHEMICALS AND ADDITIVES
Additives Markets: Tight Supply, Soaring Prices Put Processors in a Bind ... Aug. 21
Chemicals and Additives '73: Processors Get Many New Options, Naitove, M.H. ... July 39
Guidelines to Chemicals and Additives ..... HB 135
Low-Molecular-Weight PE Lubricants Challenge Paraffin for Use in PVC Pipe Processing ..... Nov. 49

CHILLING AND COOLING
Controls: Sophistication the Talk of Chicago Show ..... Oct. 57
Cooling Giving You Hangups? Try This Three-in-One System Therapy, Alton, A.H. .. Aug. 41
Know, Before You Buy, What to Look for in Chilling, Cooling Systems ..... Dec. 39
A Processor's Guide to Chilling and Cooling Needs ..... Nov. 39

COLORANTS
Chemicals and Additives '73: Processors Get Many New Options, Naitove, M.H. ... July 39
Guidelines to Chemicals and Additives ..... HB 135

COMPOUNDING
SEE MIXING AND BLENDING

COMPUTER CONTROL
SEE PROCESS CONTROL

COMPRESSION AND TRANSFER MOLDING
Comparative Specs—Compression/Transfer Presses ..... HB 122
Here Are Latest Specs, Molding Data on New Engineering Material ..... July 17
Guidelines to Buying Machines ... HB 121
Machine Produces Thin-Wall, Widemouth Containers ..... Oct. 13
Plastics Show Wrap-up ..... Dec. 33
Take a Look at the New Thermoset Equipment You've Heard About ..... Oct. 47

D-E

DAP
Comparative Specs ..... HB 201

DIP MOLDING
How to Troubleshoot Dip Molding, Brezinski, J.J., K.D. Cavender and G.V. Olhoft ..... June 45

EPOXY
Comparative Specs ..... HB 201

ETHYLENE-PROPYLENE COPOLYMER
Here's How to Run Ethylene-Propylene Copolymers Profitably, Baumgartner, A., and T. Bragg ..... June 33

ET POLYMER
Those TP Elastomers Are Stirring Up a Frenzy, Part 1, Scheiner, L.L. ..... May 36

ETHYLENE COPOLYMERS
Comparative Specs ..... HB 181

EXTRUSION
BDS Polymer: How to Extrude and Form It ..... Mar. 11
Cooling Giving You Hangups? Try This Three-in-One System Therapy, Alton, A.H. ..... Aug. 41
Foam-Profile Extrusion Excites Industry-Wide Scramble, Naitove, M.H. ..... Feb. 42
Here's How to Mold, Extrude the New Melt-Processable Fluorocarbons ..... Sept. 18
How to Buy Extrusion Equipment: A Basic Guide ..... HB 73
How to Equip a High-Production Foam-Laminate Plant, Collins, F.H., and F.P. Brown, Jr. ..... Feb. 37
How to Handle Blown Film and Trim Scrap, Prall, G.M. ..... Mar. 31
Low in Cost, Fast to Build—Here's the Extruded Vinyl House ..... June 13
Machine Produces Thin-Wall, Widemouth Containers ..... Oct. 13
Manufacturing Productivity: The Next Ten Years ..... May 27
New Computer-Based Measurement/Control Unit Aims for Calendering, Extrusion Operations ..... Aug. 13
New Film Line Checks In ..... Dec. 11
Now Plastic Sack Seeks Slice of Huge Grocery-Bag Market ..... June 11
Now: Extruding PVC Sheet on Bigger Machines Pays, Sacks, F.A. ..... Feb. 48
Plastics Show Wrap-up ..... Dec. 33
Systems Offer Improvements, New Approaches ..... Oct. 48
Thermoplastic Urethanes—Now a Swarm of Contenders, Scheiner, L.L. ..... June 37
Twin-Screw Extrusion Swings into High Gear, Stinson, S.C. ..... Feb. 45

F-G

FLAME RETARDANTS
Additives Markets: Tight Supply, Soaring Prices Put Processors in a Bind ... Aug. 21
Chemicals and Additives '73: Processors Get Many New Options, Naitove, M.H. ... July 39
Guidelines to Chemicals and Additives ..... HB 135
SMC's Improving in Pigmentation, Flame Retardance ..... Mar. 27

FLUOROCARBON
Comparative Specs ..... HB 159
How to Mold, Extrude the New Melt-Processable Fluorocarbons ..... Sept. 18

FOAM PROCESSING
Comparative Specs, Urethane Machinery ..... HB 96
Foam-Profile Extrusion Excites Industry-Wide Scramble, Naitove, M.H. ..... Feb. 42
Guidelines to Buying PS Foam-Processing Machinery ..... HB 94
Guidelines to Buying Urethane-Foam Processing Machinery ..... HB 95
How to Equip a High-Production Foam-Laminate Plant, Collins, F.H., and F.P. Brown, Jr. ..... Feb. 37
How to Process Structural-Urethane Foams, Thompson, E.J., H.E. Reymore, R.L. Grieve and A.A.R. Sayigh ..... Sept. 30
In PU Foams, Few New Offerings ... Oct. 47
Low-Pressure Foam Molder Boasts Fast Injection Rates ..... June 15
Simplicity Key to Low-Cost Urethane-Foam System ..... Jan. 13
"Sophisticated" Equipment Package Designed to Stir Up a Sluggish Technology ..... Oct. 15
Where We Stand Now in Structural-Foams Technology, Freund, R.W., and C.T. Ludwig ..... Nov. 35

H-J

HYTREL
Those TP Elastomers Are Stirring Up a Frenzy, Part 1, Scheiner, L.L. ..... May 36

INJECTION BLOW MOLDING
Injection Blow Makes It on Its Own—A Story of Specialization and Success, Naitove, M.H. ..... Mar. 15
More Entries Contend ..... Nov. 11
New System Speeds Cycle ..... Dec. 15
While There's No Real Boom, Injection Blow Is Healthy at Last ..... Apr. 21

INJECTION MOLDING
Comparative Machine Specs ..... HB 30
Custom Molder Sums Up Success: Productivity = Engineering + Control, Naitove, M.H. ..... Apr. 43
Custom Molding in Appliances: Know-How Is What Sells, Naitove, M.H. ..... Jan. 36
Design Molds, Troubleshoot Precision Molding with Computer Help, Wilson, J.L., Jr., and H.J. Layton ..... Apr. 31
Guidelines to Buying Equipment ... HB 19
Guidelines to Buying Structural-Foam-Molding Systems ..... HB 93
Here's How to Mold, Extrude the New Melt-Processable Fluorocarbons ..... Sept. 18
Here's How to Run Ethylene-Propylene Copolymers Profitably, Baumgartner, A., and T. Bragg ..... June 33
How One Appliance Maker Sizes Up and Chooses a Custom Molder ..... Jan. 40
How to Injection Mold the New BDS Polymer ..... Apr. 57
How to Mold the New Mineral-Reinforced Nylons ..... Mar. 13
Hydraulic Controller Featured on New Injection Machines ..... Nov. 15
Injection Machinery Suppliers Prepare for Boom in Rubber, Naitove, M.H. ..... Apr. 34
Injection Mold Reinforced Thermosets—with Fewer Headaches, Duncan, G.G. ... Aug. 35
Low-Pressure Foam Molder Boasts Fast Injection Rates ..... June 15
Manufacturing Productivity: The Next Ten Years ..... May 27
Mold Acetal Copolymer into Dimensionally Stable Parts, Geyer, H.G. ..... Apr. 37
Plastics Manufacturing in Appliances: Why the Captives Do It So Well, Scheiner, L.L. ..... Jan. 29
Plastics Show '73: Engineering Bonanza for Injection Molders ..... Oct. 42
Plastics Show Wrap-up ..... Dec. 33
Premix Injection Molder Uses Two In-Line Plungers ..... Sept. 12
Starting from Scratch: A New Captive Facility Makes Its Way, Naitove, M.H. .. May 15
Thermoplastic Urethanes—Now a Swarm of Contenders, Scheiner, L.L. ..... June 37
Those TP Elastomers Are Stirring Up a Frenzy, Part 1, Scheiner, L.L. ..... May 36
Unique Screw Injection Machine for Thermoset Rubber Parts ..... Jan. 11
Where We Stand Now in Structural-Foams Technology, Freund, R.W., and C.T. Ludwig ..... Nov. 35
Why Molds Flash—and What You Can Do

INDEX TO VOLUME 19 OF *PLASTICS TECHNOLOGY*, JANUARY-DECEMBER 1973

Comparative Specs — Compression/Transfer Presses ..... HB 122
Guidelines to Buying Compression and Transfer Presses ..... HB 121
Injection Mold Reinforced Thermosets—with Fewer Headaches, Duncan, G.G. .... Aug. 35
Here Are Latest Specs, Molding Data on New Engineering Material ..... July 17
Powder Coatings, Bumpers, Thermosets—That's the Talk at SAE Show ..... Feb. 15
Take a Look at New Thermoset Equipment You've Heard About ..... Oct. 47
Unique Screw Injection Machine for Thermoset Rubber Parts ..... Jan. 11
TPR
Those TP Elastomers Are Stirring Up a Frenzy, Part 1, Scheiner, L.L. ..... May 36
TRANS-PIP
Those TP Elastomers Are Stirring Up a Frenzy, Part 1, Scheiner, L.L. ..... May 36

U-Z

UV ABSORBERS
Chemicals and Additives '73: Processors Get Many New Options, Naitove, M.H. ... July 39
Guide to Chemicals and Additives ... HB 135
VINYLS
SEE PVC
WELDING AND SEALING
Bonding and Joining: The Emphasis Is on New Applications ..... Oct. 64
Guidelines to Bonding and Joining Techniques ..... HB 132
New Ultrasonic Welder Features Constant Stroke Amplitude ..... Feb. 13
UV Treatment for Making Plastics Bondable, Coatable ..... July 13

[a]HB refers to *Manufacturing Handbook and Buyers' Guide*, Spring 1973.

(1973 Author Index appears on p. 62.)

1973 Author Index

Alton, A.H., Cooling Giving You Hangups? Try This "Three-in-One" System Therapy ..... Aug. 41
Baumgartner, A., and T. Bragg, Here's How to Run Ethylene-Propylene Copolymers Profitably ..... June 33
Bragg, T., and A. Baumgartner, Here's How to Run Ethylene-Propylene Copolymers Profitably ..... June 33
Brown, F.P., Jr., and F.H. Collins, How to Equip a High-Production Foam-Laminate Plant ..... Feb. 37
Collins, F.H., and F.P. Brown, Jr., How to Equip a High-Production Foam-Laminate Plant ..... Feb. 37
Duncan, G.G., Injection Mold Reinforced Thermosets—with Fewer Headaches ..... Aug. 35
Freund, R.W., and C.T. Ludwig, Where We Stand Now in Structural-Foams Technology ..... Nov. 35
Geyer, H., Mold Acetal Copolymer into Dimensionally Stable Parts ..... Apr. 37
Grieve, R.L., E.J. Thompson, H.E. Reymore and A.A.R. Sayigh, How to Process Structural Urethane Foams ..... Sept. 30
Hirano, H., H. Okuto and M. Yotsuzuka, Approaches to Evaluating Processability of SMC ..... Aug. 43
Joyner, R.S., Equipment Advances Continue on the Blow Molding Scene ..... June 29
Layton, H.J., and J.L. Wilson, Jr., Design Molds, Troubleshoot Precision Molding with Computer Help ..... Apr. 31
Ludwig, C.T., and R.W. Freund, Where We Stand Now in Structural-Foams Technology ..... Nov. 35
Marchewka, T., Why Molds Flash—and What You Can Do about It ..... Aug. 38
Marchewka, T., Why Not Run Nory! Runnerless? ..... Apr. 61
McCane, D.I., How to Mold, Extrude the New Melt-Processable Fluorocarbons ..... Sept. 18
Naitove, M.H., Chemicals and Additives '73: Processors Get Many New Options ..... July 39
Naitove, M.H., A Custom Molder Sums Up Success: Productivity = Engineering + Control ..... Apr. 43
Naitove, M.H., Custom Molding in Appliances: Know-How Is What Sells ..... Jan. 36
Naitove, M.H., Foam-Profile Extrusion Excites Industry-Wide Scramble ..... Feb. 42
Naitove, M.H., Injection Blow Makes It on Its Own—a Story of Specialization and Success ..... Mar. 15
Naitove, M.H., Starting from Scratch: A New Captive Facility Makes Its Way ..... May 15
Okuto, H., H. Hirano and M. Yotsuzuka, Approaches to Evaluating Processability of SMC ..... Aug. 43
Prall, G.M., How to Handle Blown Film Trim and Scrap ..... Mar. 31
Reymore, H.E., E.J. Thompson, R.L. Grieve and A.A.R. Sayigh, How to Process Structural Urethane Foams ..... Sept. 30
Sacks, F.A., Now: Extruding PVC Sheet on Bigger Machines Pays ..... Feb. 48
Sayigh, A.A.R., E.J. Thompson, H.E. Reymore and R.L. Grieve, How to Process Structural Urethane Foams ..... Sept. 30
Scheiner, L.L., Plastics Manufacturing in Appliances—Why the Captives Do It So Well ..... Jan. 29
Scheiner, L.L., Thermoplastic Urethanes—Now a Swarm of Contenders ..... June 37
Scheiner, L.L., Those TP Elastomers Are Stirring Up a Frenzy ..... May 36
Slawska, B., Select the Right Equipment for Industrial Blow Molding ..... Sept. 38
Stinson, S.C., Twin-Screw Extrusion Swings into High Gear ..... Feb. 45
Struber, V.R., Formulating PVC Bottle Compounds ..... Sept. 34
Thompson, E.J., H.E. Reymore, R.L. Grieve and A.A.R. Sayigh, How to Process Structural Urethane Foams ..... Sept. 30
Wilson, J.L., Jr., and H.J. Layton, Design Molds, Troubleshoot Precision Molding with Computer Help ..... Apr. 31
Yotsuzuka, M., H. Okuto and H. Hirano, Approaches to Evaluating Processability of SMC ..... Aug. 43
